Bush Sprouts Holiday Programme

Enabling "Best day of my life"s

Battle Hill Farm Forest Park
School holidays 8-12 July, 2019

The Bush Sprouts holiday programme is held at Battle Hill farm forest park; a special place with 500 hectares of flat and rolling hill country, with beautiful bush, streams, eels, firepits and an awesome rope swing! Based on the Forest School inspired Bush Sprouts programme, run in schools and kindergarten, the focus is on having fun, while learning from and through nature. Leave your children in our care, to have the ultimate adventure!

Children aged 4.5-11 will have a great time exploring and learning from the bush with their siblings and new friends, getting to know some of Aotearoa's native creatures, building bush shelters, learning to make fire from scratch and cooking delicious food on the fire, creating artworks and tools from nature, and learning about navigating while hunting for treasure.
