Yesterday was our first Powhiri and Mass of Welcome for 2017. It was a reminder of all that we have to be grateful for and an opportunity for our School community to display our values of manaakitanga and whanaungatanga. These celebrations strengthen our links between home, School, Parish and the wider community. Our thanks go to all the people who so generously gave of their time and talents to help with the organisation. Thank you also to Fr. Alan for celebrating the Mass for us and we continue to pray for Fr. Maurice's speedy return to full health.

Our 3 way interviews were well attended and I have had very positive feedback from staff, parents and students about the value of sharing our learning goals. The children are becoming very skilful at identifying and articulating what they need to be working on and what helps them with their learning; these are all traits of a Growth Mindset. If you were unable to attend on either of our nights, please contact your child's class teacher and arrange a suitable time to meet.

Next term we will be running consultation evenings for our Maori and Pasifika students. We would like to hear your thoughts on your aspirations for your children and how we can help support their learning. We are also planning for our Matariki celebrations in June and will be collaborating on ideas for this. Dates will come out before the end of term.

The excitement around Carnival has definitely stepped up a few notches and the School is buzzing with the preparations. We are thinking positively about the weather and planning for a beautiful, sunny day in Plimmerton.

## Happy St. Patrick's Day to you all for tomorrow.

Enjoy your celebrations and have a wonderful weekend.

### This Sunday's Gospel:

3rd Sunday in Lent

*In the climate of Israel, water is a very valuable resource, not readily available to everyone. In this Sunday's Gospel, we find Jesus using the image of water, a resource necessary for survival, to describe himself. Jesus and the Samaritan woman had a lengthy discussion about water. We are baptized with water. Lent is a time when we remember what Baptism means.*

*We also try harder to live as followers of Jesus.*

## Year 5&6 Athletics

The following results are from our Athletics Day held at Grenada North Park last Thursday. These children will represent St. Theresa's at the Parumoana Interschool Competition that is being held later in the month. Huge thanks to Juan McDonald (Mr. Principal!) and Shaun who set up the course and helped us manage the event. Thanks also to Kylie Duncan, David McLaughlin, Ross Lynch and Michelle Cook who helped to run a station and/or transport children. We can't do this without you!
