"To live, learn and love with Jesus, being the best we can be"

Our Gospel Value: Inclusion

Pope Francis says:

"What is the common good?"

It means protecting people, showing loving concern for each and every person, especially children, the elderly, those in need and those who are often the last we think about."

THIS WEEKEND'S GOSPEL

John 6: 24-35

"Do not work for food that perishes but for the food that endures for eternal life, which the Son of Man will give you."

Parent Teacher Interviews are next week on Wednesday, 5th and Thursday, 6th August.

Book your appointment(s) now. Go to the website www.schoolinterviews.co.nz. The event code is **Y2EYG**.

BOYS' SHIRT FABRIC

As a response to informal feedback about the thickness, stiffness and "hard to clean" -ness of the boys' shirts, I have been working with our supplier to source a new fabric that looks the same as the existing colour but that will be softer to wear and easier to keep clean.

A long and short sleeved sample are hanging in the foyer for you to examine and a clipboard on which you can register your comments - **by next WEDNESDAY** please.

If adopted the new shirts will

- Be THE SAME PRICE AS the existing shirts
- Be phased in naturally over time. There will be NO time frame by which the old shirts will be expected to be replaced.

SCHOOL PRODUCTION

Dates: Sept., 8th (Tues.) & 9th (Wed.)

Venue: Southwards Car Museum

Let the grandparents know so that they can book their flights!!

UPDATE FROM PAULINE: The Production is coming along nicely. The children and their teachers are busy putting dance routines together and thanks to Lisa Dale-Low the children are learning the songs, some of which you may have heard them sing in the car or shower! Tickets are not available yet but will keep you posted. There's so much to do and it's a really exciting time.

Tena koutou katoa.

A kia noho te ariki ki a koutou.

Thank you for your prayers and thoughts for me as my family buried our mother last week. I was overwhelmed with gratitude to see a contingent from our St Theresa's school and parish community at Mum's funeral which was in Hastings. I felt very supported and loved.

My mother had 96 years on the planet, all but the last living independently in the family home. We were able to celebrate well her long and very productive life with a beautiful Requiem Mass. This photo was taken when she was *only* 94!

We welcome **Kahukurunui Johnson-Bates** and his parents Waihoroi Johnson and Simon Bates to our school community. We hope you will enjoy your time here at St. Theresa's.

Interim reports are coming home this week and next week the interviews are the opportunity to discuss your child's progress.

God Bless,

Jita Smith - Principal

SHELVING FROM THE OLD LIBRARY

IF ANYONE WANTS OR NEEDS THE SHELVING IN THE OLD LIBRARY, PLEASE LET GINA KNOW. FREE TO A GOOD HOME OR ORGANISATION!

Does anyone have a small single bed/day bed/divan that they no longer want? We are looking to replace the bed in the Medical Room with something a bit smaller. If you do, could you please let Gina know the dimensions and she can figure out if it will fit. Many thanks!

Class of the Week - Room 2

There are a million ways to love Room 2! We made minions and some of them had teddy bears on them. We made the minions because we were writing a story about the minion ways we love Room 2. Here is my story:

In Room 2, we share and take care of the equipment. We love doing all kinds of things like Reading, Writing, Art, RE, Maths and Discovery time. We try not to rip any work on the walls or our work anywhere else. Everyone in Room 2 is kind and caring and get along happily together. I love Room 2.
