Iti rearea teitei kahikatea ka tea – Out of small things, great things can be achieved

Mother's Day was a great opportunity to be grateful for the many faces of motherhood. The saying 'it takes a village to raise a child' is so true and the women in our lives who assume the role of Mother are such an important part of that village. I hope you all celebrated in some way and enjoyed your special treasures the children made for you.

On Wednesday we celebrated International Support Staff Day. This is a chance for our teaching staff to thank our support staff for everything they do for the teachers and students here at St Theresa's. Our support staff received their very own Spark of God and a lovely morning tea. They even got their photo in the newsletter!

In June, we will be celebrating Matariki and we would love to have a hangi again this year. If you have ANY contacts that might be able to support us in any way with this, please email the school and we will follow up.

Last Thursday, Deborah Norris, Deb Neave, Nikki Vause and I attended the NZSL Deaf Aotearoa Awards. Although we didn't receive an award this time, it was wonderful to see and hear the impact our community has had on other schools and for the support offered those new to the deaf community.

Thank you to our amazing Parents & Friends group led by Jodie Hickey-Smith. They met last week and have a range of exciting fundraising opportunities planned for the rest of the year. This is a great group to be part of and I would recommend attending the next meeting.

This week is Bully-Free New Zealand Week and the Ministry of Education has released an interactive online storybook that aims to teach children about empathy, acceptance and tolerance. You can experience the book at www.oatthegoat.co.nz.

Can you or anyone you know, help us with this please? As part of our Matariki celebrations on **Thursday, 21st June**, we would like to once again, have a hangi laid down but we need help! Please let us know if this is something you yourself can do or if you know someone else who can.

This Sunday's Gospel PENTECOST

Just as Jesus sent His disciples to forgive the sins of others, so too we are sent to bring reconciliation to the world by our willingness to forgive others and work to resolve conflicts. We have also been given the gift of the Holy Spirit to help us with this task.

Powhiri and Mass of Welcome for Term 2

Thursday, 24th May at 9a.m.

Everyone is warmly welcome to come along and join in this celebration.

The families of children in Rooms 6 & 7 are supplying the morning tea. See you all there!

Class of the Week - Room 1

This week in Room 1, we visited Harold in the big Life Education truck. We learnt about feelings like happy, sad, stressed, annoyed and angry. We all got a puppet to use when we were in the truck to help us talk about feelings.

We learnt that our hearts beat really fast when we are angry. One thing we can do if we are feeling this way is to move away from what is making us feel angry and do something that makes us feel happy. We love visiting Harold.

It's all go around here. A local beekeeper visited us and we also got to taste the lovely sweet honey.
