Mai i te Kopae ki te Urupa, tatou ako tonu ai - From the cradle to the grave, we are forever learning.

Happy Matariki everyone and thank you to all those that braved the cold last night to help us celebrate. The children sang beautifully, the Junior haka group were well-practised and the play by the Pihinga pod was very cool. Thank you also to the staff and students for the very yummy soup and biscuits and special thanks to Pauline MacLean and Jo Beasley and the cultural leaders for all the organisation leading up to last night.

KEVIN STENT/STUFF

Kannika Smith, 8, of St Theresa's School in Plimmerton, gave a speech on Parliament's steps supporting the petition. At back, from left, Labour MP Ruth Dyson, Green MP Chloe Swarbrick and petition organiser Celia Hogan.

We are very proud of Kannika Smith from Room 7, giving her speech on the steps of Parliament, supporting the petition to establish an outdoor Kindergarten.

Have a wonderful weekend and enjoy the Matariki fireworks and celebrations in Wellington city on Saturday night.

Information from the Regional Public Health Board:
Influenza (flu) is a virus that spreads quickly from person to person. It can be spread through the air by coughing and sneezing as well as by hands, cups and other objects that have been in contact with an infected person's mouth or nose. Please keep children home if they are displaying symptoms of high fever, runny nose or sore throat or ears to help minimize the risk of spreading this highly contagious virus.

Feast of Saints Peter and Paul

Peter played an important role in the early Christian community and helped to build the Church. This was a role given to him by God. We continue to honour Peter and those who have followed Him as leaders in the Church. Today we recognize and honour the Pope as Peter's successor. Like Peter, the Pope reminds us that we are a people united in the faith that Jesus is God's Son.

Class of the Week - Room 3

Room 3 have had so much fun learning about bugs. We know that they have to be camouflaged to make sure they stay safe from birds and other predators. We also know that the birds need to have food so bugs, you are it! We loved creating our own bugs to hang on our pohutukawa tree.
